

Cooler Laptop St ICE04Plus

4-Fan Adjustable Cooling Stand with LCD Display & LED

1. Product Overview

The ICE04Plus Laptop Cooler is a high-performance cooling stand engineered to provide advanced thermal management for laptops up to 15.6 inches.

Equipped with four high-efficiency cooling fans (2 large + 2 small), the unit ensures optimized airflow distribution and enhanced heat dissipation for heavy-duty professional use.

Featuring 7 adjustable fan speed levels, an integrated LCD display with LED lighting, and full control through three dedicated switches, the ICE04Plus offers precise performance customization.

Constructed with durable iron mesh and reinforced high-quality plastic, the cooling pad supports stable 24-hour continuous operation while maintaining quiet and energy-efficient performance.
