

## Cooler Laptop St ICE08

Professional 6-Fan Cooling Stand with LCD Display & RGB Control

Official Tender & Institutional Datasheet

### 1. Product Overview

The ICE08 Laptop Cooler is a high-performance cooling stand engineered for laptops up to 17 inches. Equipped with six powerful cooling fans (4 large + 2 small), it delivers enhanced airflow distribution for efficient heat dissipation during extended gaming, professional work, and heavy processing tasks. The unit features a digital LCD display, 7 adjustable speed levels, and 10 RGB lighting modes with full independent control. Its ergonomic structure includes a built-in phone holder and dual USB ports for enhanced convenience.

Designed for continuous operation, the ICE08 ensures quiet performance, structural durability, and reliable cooling efficiency.

### 2. Key Functional Features

- 6 High-Performance Cooling Fans (4 Large + 2 Small)
- 7 Adjustable Fan Speed Levels
- LCD Display for Speed & Mode Monitoring
- RGB Lighting with 10 Dynamic Modes
- Independent Control of Fan Speed & Lighting
- Built-in Phone Holder
- Dual USB Ports
- Suitable for Laptops up to 17"
- Durable Plastic Construction
- Quiet & Efficient Cooling Operation
- 2-Year Replacement Warranty
- 5-Year Maintenance Warranty

### 3. Technical Specifications

#### Cooling System

Parameter	Specification
Number of Fans	6 (4 Big + 2 Small)
Big Fan Speed	1400 ±10% RPM
Small Fan Speed	2400 ±10% RPM
Speed Levels	7 Adjustable Levels
Cooling Type	Active Air Cooling

#### Electrical Specifications

Parameter	Specification
Rated Voltage	DC 5V
Rated Power	5W ±10%

Parameter	Specification
USB Ports	2
Power Supply	USB Powered

#### Physical Specifications

Parameter	Specification
Product Size	410 × 285 × 40 mm
Material	Durable Plastic
Supported Laptop Size	Up to 17"
Additional Feature	Built-in Phone Holder

#### 4. Operational Advantages

- Enhanced thermal performance for gaming & professional use
- Even airflow distribution across full laptop surface
- Stable long-hour operation
- Low power consumption
- Ergonomic elevated design for better posture

#### 5. Recommended Applications

- Gaming Workstations
- Office & Professional Use
- Graphic Design & Editing
- Online Learning & Remote Work
- High-Performance Laptops

#### 6. Warranty & Support

Coverage Type	Duration
Replacement	2 Years
Maintenance	5 Years

All units are factory tested for operational stability and performance compliance.
