

Keyboard and Mouse Combo St KC6000 Wired USB

Wired USB Keyboard & Mouse Combo
Durable Office & Home Professional Set

1. Product Overview

The ST KC6000 Wired USB Keyboard & Mouse Combo is a professional input solution designed for reliable daily performance in office, governmental, educational, and home environments.

Manufactured with a robust and durable structure, the combo is resistant to minor impacts and accidental drops, ensuring long-term operational stability.

The keyboard features an ergonomic design with a silky-finish surface and soft laser-printed keys for enhanced durability and user comfort. It includes 10 dedicated Internet and multimedia shortcut keys to improve productivity.

The USB optical mouse provides smooth and precise cursor tracking, making it suitable for administrative tasks, browsing, and general computing applications.

The set operates via Plug & Play USB connectivity without the need for software installation.
