Speaker USB & TypeC Spark-X

USB Stereo Computer Speakers 6W (3W×2) – USB & Type-C Powered

1. Product Overview

The ST-Standard Spark-X RGB USB Stereo Computer Speakers are designed to provide stable and clear stereo audio performance suitable for institutional, governmental, and professional desktop environments.

Delivering a total output power of 6W RMS (3W×2) through dual 52mm full-range drivers, the system ensures balanced mid frequencies and crisp high-frequency response. With a signal-to-noise ratio ≥65dB and frequency response of 200Hz–18kHz, Spark-X RGB offers reliable multimedia audio performance.

Powered via USB DC 5V and compatible with USB and Type-C interfaces, the speakers provide plug-and-play operation without the need for additional drivers or external adapters.

Integrated dynamic RGB rhythm lighting enhances modern workstation environments while maintaining professional functionality. The in-line control unit allows convenient adjustment of volume and lighting modes.

The compact cube design with durable ABS construction ensures long-term reliability and space efficiency.

2. Technical Specifications

Item	Specification
Model Name	Spark-X RGB
Product Type	USB Stereo Computer Speakers
Total Output Power	6W RMS (3W × 2)
Driver Size	Dual 52mm Full-Range Drivers
Audio System	2.0 Channel Stereo
Frequency Response	200Hz – 18kHz
Signal-to-Noise Ratio	≥ 65dB
Speaker Impedance	4Ω
Power Supply	USB DC 5V
Connectivity	USB + Type-C
Control Interface	In-Line Volume & RGB Control
RGB Lighting	Dynamic RGB Rhythm Lighting
Cable Length	1.5 Meter
Speaker Dimensions	63 × 63 × 71 mm (Each Speaker)
Housing Material	Durable ABS
Color	Black
Installation	Plug & Play
Operating Mode	Continuous Desktop Operation

3. Performance Characteristics

- **Stable stereo channel separation**
- **Balanced sound reproduction**
- **Low distortion under rated load**
- **Energy-efficient 5V DC operation**
- **Integrated lighting control system**
- **Compact and space-saving design**
- **Suitable for extended working hours**

4. Application Areas

- **Government Offices**
- **Corporate Workstations**
- **Educational Labs**
- **Multimedia Rooms**
- **IT Training Centers**
- **Modern Desktop & Gaming Setups**

5. Warranty & Support

Coverage Type	Duration
Replacement Warranty	2 Years
Maintenance Support	5 Years

All units are supplied brand new, factory sealed, and tested prior to delivery.
